Head Consultant: Dipo Famakinwa

Dipo is a graduate of International Relations from Obafemi Awolowo University, Ile Ife (1988), with an extensive business and professional career spanning over 20 years in a variety of sectors within the Nigerian and international markets.

Dipo at various times worked in sales & marketing, business development, business management and Group Head in credible Nigerian organisations, including Landover Company Limited and Vigeo Oil & Gas Limited.

His business experience has afforded him extensive learning and development opportunities which have become handy as a professional business consultant and facilitator.

Dipo has a very strong passion for helping individuals and teams achieve effectiveness in meeting their goals and objectives. He works actively in the area of service delivery and personal development competencies, while also using his network and relationship capital to further the concept of business as a platform for engineering social change.

A certified quality auditor, Dipo is an alumnus of the Lagos Business School (LBS).
